

Pirati!

pirati.io

Pirates finding pirates

Marco Confalonieri, 05/12/2020

Pirati!

”

pirati.io was born to promote the political, civic, cultural activities of all individuals and association that recognise themselves in the objectives and principles of the Pirates' international movement

pirati.io

Pirati!

What is Pirati.io?

- A hub for individuals and organisations that feel part of the Pirate movement
- The missing link between associations and persons that are Pirates inside
- The base for operations of political hacking

Pirati!

Why Pirati.io?

Pirati!

14%

of Italian citizens granted 6 or more to political parties in a confidence scale between 0 and 10

Istat, 2019

Pirati!

2,7

Average confidence in political parties on a scale between 0 and 10

Istat, 2019

Pirati!

**We need to reach who was let
down by traditional politics**

Pirati!

Thousands of associations work on specific themes.

- Agriculture
- Civil rights
- Fablabs
- Software/OS user groups
- Other themes connected to the Pirates' stance on copyright and patents
- Many, many more...

Pirati!

- Individuals as well

Pirati!

Conclusions

- Being a member of both Pirate Parties International and the European Pirate Party could help us to better connect these realities with the Pirate Movement as a whole.
